

AERIAL KIDS' CLUB

GRACE & GRAVITY

HOWBERY PARK, WALLINGFORD

KIDS' CLUB AT G&G

When was the last time you hung out, upside down?

Our Aerial Kids' Clubs turn traditional after school activities on their head, literally!

Your child will be encouraged to challenge themselves and show us their flying skills. Combine circus tricks & flips with dance-based movement.

Feel good, fun that will leave your mini aerialist flying high!
