'SCHOOLS 2025'

MINI KIDS' CLUB AT G&G

When was the last time you hung out, upside down?

Our 'Aerial Circus Minis' Club turns traditional after school activities on their head, literally!

Your child will be encouraged to challenge themselves with fun moves and age appropriate circus poses using aerial sling, aerial hoop and also some acro!

This class will be full of fun, flips & tricks, and ends with some lovely relaxing poses to calm the body and mind after a busy day at school.

Perfect for younger children wanting to explore a range of aerial based circus sessions.

Feel good fun that will leave your mini-aerialist flying high!

TERM TIME ONLY SESSIONS - MONDAYS 16:15 - 17:15

Limited spaces available. Suitable for all abilities and recommended for children aged 5-8 years old. Term starts 6th January 2025.
